

## **INTRA-COMMUNITY COMMODITIES TRADE STATISTICS THRESHOLDS FOR 2016**

In State Gazette No 80/16.10.2015 the new Intrastat declaration and statistical value thresholds for the purposes of Intra-Community Commodities Trade Statistics were published.

The declaration thresholds for 2016 have been increased and the new thresholds are as follows:

- for dispatches – BGN 260 000 (the threshold for 2015 was BGN 220 000);
- for arrivals – BGN 460 000 (the threshold for 2015 was BGN 370 000).

The statistical value thresholds for 2016 are as follows:

- for dispatches – BGN 12 300 000 (the threshold for 2015 was BGN 10 600 000);
- for arrivals – BGN 6 000 000 (the threshold for 2015 was BGN 5 300 000).

For 2016 the threshold which allows the registered Intrastat operators to apply a simplified procedure for declaration of the transaction for Intrastat purposes remains at the level of BGN 390.
