INTER-COMMUNITY COMMODITIES TRADE STATISTICS THRESHOLDS FOR 2015

In State Gazette No 89/28.10.2014 the new Intrastat declaration and statistical value thresholds for the purposes of Inter-Community Commodities Trade Statistics were published.

The declaration thresholds for 2015 have been slightly increased and the new thresholds are as follows:

- for dispatches – BGN 220 000 (the threshold for 2014 was BGN 210 000);
- for arrivals – BGN 370 000 (the threshold for 2014 was BGN 360 000).

The statistical value thresholds for 2015 are as follows:

- for dispatches – BGN 10 600 000 (the threshold for 2014 was BGN 10 700 000);
- for arrivals – BGN 5 300 000 (the threshold for 2014 was BGN 5 000 000).

For 2015 the threshold which allows the registered Intrastat operators to apply a simplified procedure for declaration of the transaction for Intrastat purposes remains at the level of BGN 390.
